

WHY STURGEON COUNTY?

We make things happen here.

ABOUT OUR COUNTY

Sturgeon County is located in the northern portion of the Edmonton Metro Region. We are a diverse, growing community that is an integral part of one of Canada's fastest growing regions.

WHY CHOOSE US?

Choices in how electricity is generated, as Alberta is Canada's only deregulated energy market.

Access to an experienced industrial construction labour force.

Deep regional talent pool with 8 post-secondary institutions and over 130K students.

LET'S WORK TOGETHER!

Work with us to identify economic benefits including qualified suppliers, world-class research partners, incentives and shovel-ready development sites.

UTILITY ASSETS

We can help you navigate utility servicing - power, water and fibre. Alberta's **deregulated energy market** offers options for power connections, either connection to the grid or on-site generation. Sturgeon County has willing energy partners and sustainable energy providers waiting to work with investors.

DATA CENTRE INDUSTRY PARTNERS CHOOSING STURGEON COUNTY

POWERING DATA SUSTAINABLY

Carbon capture, utilization and storage (CCUS) offers data centres a powerful way to offset emissions while maintaining sustainable operations. Companies located in Sturgeon County benefit from access to CCUS partners, enabling a reduction in carbon footprint and eco-friendly practices to hit long-term ESG targets.

Thousands of acres of shovel-ready heavy, medium and light industrial land zoned for development
